BOAT MANUFACTURING

We design and build outboard and inboard boats, rowing boats, canoes, paddle boats (pedalos), and yachts.

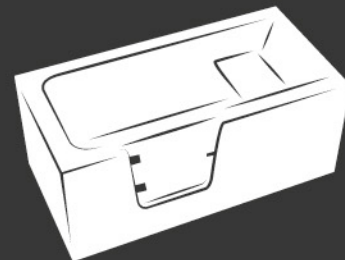

BOAT REPAIRS AND OVERHAULS

We renovate boats, repair and replace damaged parts of boats.

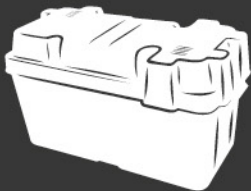

LAMINATED MATERIAL MANUFACTURING

We manufacture various products made from polyester and glass laminate on request.

BATHTUBS WITH DOOR

Ergonomic, deep tubs for sitting or laying with door. Intended for people having issues with using traditional tubs.

BATTERY COVERS

We manufacture containers aimed at protecting the batteries of industrial and agricultural machinery against atmospheric conditions, sea water or battery acid.

TRANSPORT BOXES

We offer two types of transport boxes. The boxes are aesthetically designed, robust and feature a convenient locking mechanism.
